Dear Charlie:

I am writing to acknowledge that Uchucklesaht Tribe has identified an oyster beach in Vernon Bay that your community would like added to Schedule 7 of the Fisheries Chapter of the Final Agreement.

Currently, Canada is undertaking a review of this request. Should we be able to meet your request we would be prepared to add this beach to the Final Agreement following initialling but prior to your community's ratification process.

We trust that this will meet your interests.

Yours truly,
